Outdoor Mass on Sunday 12th July 2026 at 11.00 am

Thank you to those who attended meetings or offered their help for our annual

So, to inform you all of the plans:

- *A large group of helpers required to erect gazebos, altar and PA system at 9.00 am please. The more the merrier*
- *People required to also set out chairs and place cones for safety. Any people with their own chairs should bring them along.*
- *No parking on the car park. Permission to park on Henry Mellish sports field has been requested. Awaiting reply. Helpers have already volunteered to direct traffic.*
- *Tables to be set up for a shared table in the hall. The Pentecost shared table was so successful a few weeks ago. So, we are requesting the same again for the Mass. Let's share lots of culinary delights with each other again from our beautiful different countries. The Parish will provide various sandwiches platters and some cakes etc. Some meat pies and samosas have been offered. Any delicacies from the Keralan, Filipino, African, Caribbean and European communities will be gratefully accepted. Please bring your own alcohol or preferred drinks. Individual juices will be available for the children. Teas and coffees as usual will be provided. Alternatively, please bring your own picnic for your family.*
- *We hope you will stay on after Mass. We envisage the gathering finishing by 4.00 pm. We will hopefully have musical entertainment - background music and perhaps some karaoke time for fun and dancing.*
- *We hope to have the fire tender, police car and ambulance available in the car park for all to see.*
- *Children are to always be under the supervision of their parents please.*
- *Appeal for Raffle prizes gratefully received - Children's and Adult prizes please.*
- *Let's pray for a wonderful, happy occasion for our Parish Community, with glorious sunshine to add to the occasion.*
- *Please stay and help to clear away at the end of our day together. It will make life so much easier.*
- *Thank you everyone!!*
